Office of the Attorney General

This is a request under the Public Records Act.

Please provide communications to/from the Office of the Attorney General to and from Google and its representatives from May 1, 2019 to present. These should include but not be limited to emails, including all attachments.

Please include all email correspondence from Google and its representatives, which typically end in @Google.com or @Alphabet.com. Please also include all correspondence with lobbyists and other representatives of Google.

Please provide in machine readable format, or PDFs, if possible, to the email provided. I preemptively agree to pay fees up to \$100 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount. Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act's statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Justin Glawe
